TERMS and CONDITIONS for shipping Australian bikes to Barcelona and back from Felixstowe

Failure to read, understand and act upon these Terms and Conditions could cause you considerable heartache and expense!!

Wearing **Hi Viz vests** in all our loading & unloading depots is **compulsory**.

1. Bike Cleanliness. Your bike must be spotless when packed into the container - this is a Quarantine Service requirement. It is your responsibility to arrange cleaning of your bike in Felixstowe prior to the return journey. There are a couple of places – around £20 per bike and they do a good job.

2. PETROL TANKS must be empty of fuel. A small amount of fuel (less than 2 litres) in the tank sufficient to get you to the nearest servo is acceptable.

3. All bikes must have their **BATTERY LEADS DISCONNECTED** and **both Leads & Terminals insulation TAPED** prior to shipping in Australia and Felixstowe. **This is your responsibility.**

4. All Removable Panniers must be disconnected from the bike prior to loading, but they will be carried in the container - **UNLOCKED** and a **MAXIMUM OF 3 ITEMS PER BIKE** . If you leave them locked you will be charged for the time taken to retrieve your keys from you to unlock them.

We take all care possible but are not responsible for damage during shipping so please wrap appropriately and label them. Name & Bike rego. Suggestion - use 3 or more layers of plastic Bubble wrap.

5. The **prices** quoted do not include the cost of your tour within UK/Europe.

6. These prices are valid from 1 November 2019 and are based current freight rates and other cost components at that time. Any cost increases will be passed on when invoices are prepared in Jan 2021.

7. It is each rider's responsibility to be at the Felixstowe depot on the date provided for RETURN shipments. The Felixstowe DEPOT address will be supplied prior to loading.

8. We will organise the Customs clearances, all paperwork and loading/unloading of the container.

9. Your \$600 deposit is NON REFUNDABLE. We may be able to roll it over to a later tour/shipment or refund it if you can encourage someone else to take your place, at the discretion of Get Routed.

10. We require your bike approx 4 days prior to the shipping date and shipment of your bike from Australia is between 32 and 38 days. You will be advised the address to deliver your bike to the Melbourne/Sydney/Brisbane depot in the balance of payment invoice.

11 Bookings will not be accepted without a deposit (\$600) and a completed RESERVATION FORM.

12. The balance of the cost is due not later than 4 weeks prior to the SHIPPING DATE of your bike. An invoice will be sent.

13. Reservations will not be accepted within 6 weeks of a shipping date except under circumstances such as a cancellation.

14. Your passport will be needed to provide proof of ownership to depot staff in Barcelona to collect your bike, BUT only if Get Routed staff are not in attendance. This is required to ensure no one else has access to your bike. Without your passport no one can claim your bike.

15. RETURN SHIPMENTS - If we don't have sufficient bikes for any particular return shipment your bike may not go back to the Australian port from which it was shipped.

DAMAGE TO MOTORCYCLES

Bike Insurance in the container costs are now **NOT INCLUDED** in the bike shipping costs.

Previously insurance was included in our bike shipping costs, but we have been advised by the Insurance Company that this system is not compliant in respect of Insurance legislation as Get Routed is not the owner of the property insured.

To insure your bike each way you will need make your own insurance arrangements.

Our previous set-up for many years was through our insurance broker, Bernie Ryan, who is working with the current insurer on a new arrangement where each bike will be insured in the name of the owner. If you wish to enquire about insurance of your bike to and from the destination, you can contact Bernie on 03 9818 2724 or email bernie@steadfastibg.com.au.

Riding Insurance in UK & EU Countries We are in contact with an insurance company who may be able to provide Fully Comprehensive cover for your bike while in the UK & Europe. We will send your requirements to them 1 month prior to loading so that your bike will be covered before Customs Clearance in Barcelona – Insurance cover is compulsory in the UK & Europe and policy docs are part of the Customs Clearance process.

Loading date to be advised with the balance of payment invoice. We require your bike for loading approx 4 days prior to the shipping date.

You can ride your bike in the UK/Europe on your Australian Registration plate for up to 6 months (subject to your Aussie rego being current for that time) and using your current Australian licence for up to 3 months in any EU country. An International Driving Permit (for up to 12 months) is advisable if you're staying beyond 3 months. The IDP is necessary if you're touring Europe because it's really just a translation of your Aussie licence.
