

# **2023 Isle of Man TT Festival** **self guided tour**

**Airfares not included**

31 August 2022

**Please READ EVERY WORD! SERIOUSLY.**

***This proposed itinerary is limited to 10 bikes***

## **ENGLAND**

**Monday 10 April**

Arrive Felixstowe to collect your bike \*\*\*\*\* **see page 3**  
***Or any day which suits you to get the the TT ferry on time.***

London Heathrow airport to Felixstowe is best by train.  
Take the Piccadilly Line to Holborn Station. Change to the Central line and catch an East bound train to Liverpool St (above ground) station. At Liverpool St station buy a ticket for a regular train to Felixstowe.

In Felixstowe you'll collect your bike, Insurance and Customs documents, reconnect your bikes battery, check your bike over before packing your luggage and departing after refuelling and checking tyre pressures at the nearest servo.

PLEASE NOTE: We strongly recommend you stay one or two nights in Felixstowe before collecting your bike. After a 23 hour overnight flight from Australia the last thing you need is an accident due to tiredness. Why not stay a night or two and get a good night's sleep after a couple of pints? Felixstowe is a relatively quiet place, but there's several of good pubs and restaurants to enjoy while you're there.

**Felixstowe accommodation possibilities** - book well in advance.

**Premier Inn, Felixstowe Town Centre** (Dave's favourite)  
Undercliff Road West, Felixstowe, Suffolk IP11 2AN

**DORINCOURT Guesthouse**  
41 Undercliff Rd, Felixstowe IP11 2AH

**Marlborough Hotel**  
Sea Rd, Felixstowe IP11 2BJ

**You can ride your bike in the UK/Europe on your Australian Registration plate for up to 6 months (subject to your Aussie rego being current for that time) and using your current Australian licence for up to 3 months in each country. An International Driving Permit (for up to 12 months) is advisable if you're riding in Europe - the IDP is necessary if you're touring Europe because it's a translation of your Aussie licence in several European languages. Take your Aussie licence as well.**

## Tuesday 11 April

At this time you start the self guided portion of your tour with the intention to arrive at Liverpool on Saturday 28 May to catch the Isle of Man ferry to Douglas.

Some people want to go to Ireland at this time.

The North West 200 at Coleraine, Port Rush & Port Stewart in Northern Ireland is usually on the 3<sup>rd</sup> or 4<sup>th</sup> Saturday of May. This is a huge road race meet and probably bigger than the TT in terms of the crowd who spectate. Racers use it as preparation for the TT.

### **Accommodation for the NW200**

Contact the Portrush Tourist Info centre for accommodation - Coleraine Tourist Information Centre Tel: 028 7034 4723 Email: [info@northcoastni.com](mailto:info@northcoastni.com)

Couples will have the privacy of double rooms (ensuite in some houses) and single men will be sharing twin rooms – some houses have single rooms and it's first in first served for those. The houses are of a good standard and include beds with linen & towels supplied and all normal household facilities including fully equipped kitchen, laundry, lounge etc. Each house will be in excellent clean condition when you arrive and it is expected you will leave the house in the same condition when you depart. We will inspect them with the owners after you've departed.

### **DAMAGE TO MOTORCYCLES**

**Bike Insurance in the container costs are now **NOT INCLUDED** in the bike shipping costs.**

Previously insurance was included in our bike shipping costs, but we have been advised by the Insurance Company that this system is not compliant in respect of Insurance legislation as Get Routed is not the owner of the property insured.

To insure your bike each way you will need make your own insurance arrangements.

Our previous set-up for many years was through our insurance broker, Bernie Ryan, who is working with the current insurer on a new arrangement where each bike will be insured in the name of the owner. If you wish to enquire about insurance of your bike to and from the destination, contact Bernie on 0405 500 871 or email [bernie@steadfastibg.com.au](mailto:bernie@steadfastibg.com.au)

**Loading date** We require your bike approx 4 days prior to the shipping date and shipping Sydney to Felixstowe takes 36 – 44 days. Loading date will be around 1 March.

**Bike registration in UK & Europe.** You can ride your bike in the UK/Europe on your Australian Registration plate for up to 6 months (subject to your Aussie rego being current for that time) and using your current Aussie licence for up to 3 months. An International Driving Permit (for up to 12 months) is advisable if you're staying beyond 3 months. The IDP is necessary if you're touring Europe because it's really just a translation of your Australian licence. Take your Aussie licence as well.

**Riding Insurance** We are in contact with an insurance broker company who may be able to provide Fully Comprehensive cover for your bike while in the UK & Europe. We will send you the forms 1 month prior to loading so that your bike will be covered before Customs Clearance in the UK – Insurance cover is compulsory in the UK and is part of the Clearance process.
