One way prices **Standard Size \$3885, Long bikes \$6785**

***** Conditions apply - see Terms & Conditions *****

16. DAMAGE TO MOTORCYCLES

Bike Insurance in the container these costs are now **NOT INCLUDED** in the bike shipping costs.

Previously insurance was included in our bike shipping costs, but we have been advised by the Insurance Company that this system is not compliant in respect of Insurance legislation as Get Routed is not the owner of the property insured.

To insure your bike each way you will need make your own insurance arrangements.

Our previous set-up for many years was through our insurance broker, Bernie Ryan, who is working with the current insurer on a new arrangement where each bike will be insured in the name of the owner. If you wish to enquire about insurance for your bike to and from the destination, you can contact Bernie on 0405 500 871 or email bernie@steadfastibg.com.au.

17. UK & European Bike Insurance We are in contact with an European insurance broker who may be able to provide Fully Comprehensive or 3rd party only cover for your bike while in the UK & Europe. We will have their 2025 price info documentation in December, 2024 and can distribute them to all clients who have made bookings and paid deposits so you can take out suitable cover for your bike so that your bike will be covered before Customs Clearance in the Barcelona – 3rd Party cover is compulsory in the UK & Europe and proof is required as part of the Customs Clearance process.

18. Travel insurance it is **strongly recommended** that all clients take suitable cover prior to departure. Through our insurance broker we have access to a suitable discounted policy which allows travel by motorcycle.

Talk to Bernie Ryan on 0405 500 871 or email bernie@steadfastibg.com.au.

Bike registration in UK & Europe You can ride your bike in the UK/Europe on your Australian Registration plate for up to 6 months (subject to your Aussie rego being current for that time) and using your current Australian licence for up to 3 months in any country. An **International Driving Permit** (for up to 12 months) is advisable if you're touring Europe where the coppers may decide they don't understand your language. The IDP is necessary if you're touring Europe because it's really just a translation of your Aussie licence.

Barcelona bike collection day.

It is envisaged that all clients will stay at the Best Western Plus Hotel Alfa Aeropuerto in Barcelona. Our Felixstowe unloading guy (Mike Smith) will fly to Barcelona and stay at Hotel Alfa Aeropuerto and will organise a bus to take all clients to the warehouse to collect bikes on Monday 31 March.

If you wish to stay longer in Barcelona, Best Western Plus Hotel Alfa Aeropuerto has car/bike parking available.

The plan is that Mike Smith will unpack the bikes on Friday 28 March, so that bikes can easily be collected on Monday 31 March. Anyone wanting to collect bikes on Friday 28 will automatically be signed on to help Mike with the unpack. The pay is incredibly low. You *might* get a beer.

Flight Luggage

You'll be taking clothes and personal effects on the flight to Barcelona. Those suitcases & bags can be transported by Get Routed to the Felixstowe warehouse where you drop the bikes off at the end of your trip. Make damned sure you label them – Name & Bike rego number in LARGE letters.

On the bike collection day, Mike Smith will be loading a container (going to Felixstowe) with Get Routed's shipping cradles – your suitcases etc will go in that container and Mike will unload them in Felixstowe so they are there for you at the end of your trip.

If you can't be there on bike collection day your bike can be stored, at your expense, but getting your suitcases & bags to Felixstowe is your problem.
