19. UK & European Bike Insurance We are in contact with an European insurance broker who may be able to provide Fully Comprehensive or 3rd party only cover for your bike while in the UK & Europe. We will have their 2026 price info documentation in December, 2025 and will distribute them to all clients who have made bookings and paid deposits so you can take out suitable cover for your bike so that your bike will be covered during storage and before Customs Clearance in Felixstowe – 3rd Party cover is compulsory in the UK & Europe and proof is required as part of the Customs Clearance process.

20. Travel insurance it is **strongly recommended** that all clients take suitable cover prior to departure. Through our insurance broker we have access to a suitable discounted policy which allows travel by motorcycle.

21. Bike registration in UK & Europe You can ride your bike in the UK/Europe on your Australian Registration plate for up to 6 months (subject to your Aussie rego being current for that time) and using your current Australian licence for up to 3 months in any country. An **International Driving Permit** (for up to 12 months) is advisable if you're touring Europe where the coppers may decide they don't understand your language. The IDP is necessary if you're touring Europe because it's really just a translation of your Aussie licence.

22. Flight Luggage

You'll be taking clothes and personal effects on the flight to Felixstowe. Those empty suitcases & bags can be stored in the Felixstowe warehouse so they are there for you at the end of your trip. Label them (NAME & BIKE REGO NUMBER) so we know who they belong to.

23. If you are taking camping gear, just be aware that when coming back in to Australia that if Aussie Border Force's Quarantine staff discover your tent etc they will tear everything apart looking for contaminants. If cleaning is necessary you'll be paying for it. Worst case the tent will be sent to the incinerator at your expense plus there will be fines and your bike won't be released until fines are paid.

24. REGARDING THESE ARRIVAL DATES.

Get Routed does not control the world's shipping schedules. Stormy weather, port congestion, labour disputes and any number of other issues can cause shipping delays.

We do our best to have bikes arrive at the destination port on time and given 26 years of experience shipping bikes to Europe & The UK we mostly get it right.

A Carnet de Passages en Douane is ABSOLUTELY NOT NEEDED for riding in the UK & Europe.
